

"Do all the good you can. By all the means you can. In all the ways you can. In all the places you can. At all the times you can. To all the people you can. As long as you ever can."

THE POWER OF PLANNED GIVING

- For more than a century, The Connection has strengthened our community by ensuring access for all.
- Your support removes financial barriers and creates opportunities for children, adults and families who need it most.
- Planned Giving is a meaningful way to make a legacy gift that supports the future of The Connection.

YOUR LEGACY CAN CHANGE LIVES!

Provide future support for The Connection with a planned gift through

- a will
- estate plan or
- another type of deferred gift such as one through an IRA or retirement fund, a life insurance policy, or charitable trust.

A planned gift can have benefits for you!

While helping The Connection, a planned gift can also provide an opportunity to minimize income and estate taxes and reduce capital gains taxes.

Consult with a financial advisor, accountant or attorney about structuring charitable giving in a way that best meets your philanthropic and financial goals.
